Description of donated auction item:

All wineries will be paired with a Professional Chef approximately one month prior to the event to discuss food and wine pairings. On the day of the event, winery set up time starts at 4:00 p.m. Wineries should be ready to pour by 4:45 p.m. Wine tasting hours will be from 5:00-8:00 p.m. All wine glasses, tablecloths, napkins, water, and ice will be provided for a six-foot table. Each winery may bring literature to display.

Participating wineries are encouraged to post a link to our website and invite wine club members to attend. We'll post a reciprocal link, which is sure to draw attention to your winery as the traffic to our website is considerable.
